## **About In His Image**

*IN HIS IMAGE*, formerly Creative Sunsets was manifested from Vision in 1999. Our Visionary, Beverly White was inspired by God to help people prosper by educating, motivating, and inspiring persons on how to walk into Christ's Image. A group of person were brought together to bring forth the Vision. Services began in the home of our Visionary with five participants. Gradually the numbers increased; thus In His Image moved to 2106 Bolt Drive in 2007.

*IN HIS IMAGE* feels that quality education includes knowledge in academics, character building, spiritual awareness, and social skills. We desire that each participant becomes all who God created them to be thus one of our main focuses is to teach persons who they are in Christ. Moreover, we know that knowledge unapplied is dead, so we work hard to help participants turn knowledge into Godly Wisdom.

**Catering to the educational needs of our participants, *IN HIS IMAGE* offers these services to help persons of all ages walk into their Godly identity.**
